In the event of a vacancy in the office of Chairperson, the Vice Chairperson shall assume the duties and responsibilities of the office of Chairperson until the election of a successor.
- B. Impeachment of a Board member: If an NBS member has reasonable cause to believe a Board member has failed to uphold or fulfill the duties and/or responsibilities of his or her position, or that such Board member has acted in a manner detrimental to

NBS, the complaining member may petition the Board of Governors for a Writ of Impeachment.

A petition for a Writ of Impeachment must be in writing and be signed by the complaining member. The petition shall contain a clear and precise statement of any and all facts related to the allegations including, but not limited to, the names and contact information of all other persons having direct knowledge of the circumstances upon which the petition is based. Conduct upon which a petition for a Writ of Impeachment may be brought includes, but is not limited to, malfeasance, professional misconduct in office, or negligence in the carrying out of duties and responsibilities entrusted to the Board member.

Upon receipt of a petition for a Writ of Impeachment, the remaining members of the Board of Governors shall review the petition. Following such review, if at least three members of the Board of Governors believe no reasonable basis for the petition exists, the Writ shall be denied and the complaining member shall be notified in writing of the fact of and reason(s) for denial. If, however, at least three members of the Board of Governors find that reasonable basis for the petition does exist, the Writ shall be granted.

Upon the granting of a Writ of Impeachment, a true copy of the Writ shall be delivered to the Board member accused of misconduct by hand delivery or by placing the same in the United States Mail, certified, return receipt requested.

A copy of the Writ shall also be sent to the NBS counsel. The Board member accused of misconduct shall have thirty (30) days from the date of service of the Writ in which to answer any and all charges contained in the Writ. Date of service will be determined by the delivery date on the return receipt. Failure of the Board member accused to respond within the thirty (30)-day time period will constitute a default. Upon default, the Board of Governors may then remove the defaulting Board member and appoint a successor in a manner consistent with sub-part A.

If the Board member accused of misconduct wishes to contest the charges brought against him or her, an Answer must be in writing, signed by the accused Board member. The Answer shall contain a clear and precise denial of any and all allegations made including, but not limited to, the names and contact information of all persons having direct knowledge of the circumstances upon which the petition is based.

A true copy of such Answer shall be delivered to the Chairperson of the Board of Governors by hand delivery or by placing the same in the United States Mail, certified, return receipt requested. A copy of the Answer shall also be sent to the complaining member and to the NBS legal counsel.

Upon receiving the Answer, the Chairperson of the Board of Governors shall immediately appoint a Review Board composed of seven NBS members. The Chairperson of the Board of Governors, or his or her designee from within the Board of Governors, shall serve as Chairperson of the Review Board, and it shall include the following additional members: a currently active collegiate chapter President, a currently active chapter advisor, and a currently active alumni/professional member. Neither the chapter President nor chapter advisor shall come from the same chapter. The Chairperson of the Review Board shall have the discretionary authority to request the presence of the NBS legal counsel during the impeachment hearing. The NBS legal counsel shall serve as an ex-officio member and shall have no voting rights.

The Chairperson of the Review Board shall provide the other Board members with copies of the Writ and the accused Board member's Answer. The President shall call a meeting of the Board within thirty (30) days after the documents have been sent to the Board members. After a full and careful review and discussion, the Board shall vote by secret ballot on acceptance or rejection of the Writ. A minimum of four affirmative votes are required for the acceptance of a Writ.

Upon a minimum of affirmative votes for acceptance, the Board of Governors shall then remove the offending Board member from his or her position on the Board of Governors and will fill the vacated office in accordance with the procedures set forth in sub-part A. If the Writ is rejected, the Board member is absolved of all charges contained in the petition and the Writ, and no other petitions or Writs may be sought or issued upon the same facts and circumstances. In either case, the President shall notify the Board member accused and the member who brought the petition, in writing, of the decision of the Board.

During the pendency of any phase of the impeachment process, the accused Board member shall retain his or her office and shall be fully responsible for carrying out all duties and responsibilities of such office.

BYLAWS OF THE
NATIONAL BROADCASTING SOCIETY – ALPHA EPSILON RHO

CHAPTER ONE
Name and Insignia

The official name for the organization is the “National Broadcasting Society,” with an honor society named “Alpha Epsilon Rho.” The organization may also be referred to as NBS, AERho, or NBS-AERho.

CHAPTER TWO
Nature and Creed

SECTION 1. CREED: To bind together, in a fraternal and professional bond, men and women dedicated to the future, the development, and the profession of the field of electronic media. To make responsibility our action, achievement our goal, and excellence our ideal, realizing that the trust placed within us, with our profession, can change the destiny of the world.

As used in these Bylaws, the term “electronic media” is defined as radio and television broadcasting, cable, film, web and Internet technologies, satellite, new media and other forms of electronic mass communication now existing or that may be developed.

SECTION 2. COLLEGIATE NATURE OF THE NATIONAL BROADCASTING SOCIETY - ALPHA EPSILON RHO (NBS-AERho) is found in the chapters located on university and college campuses that are involved in the operation of over-the-air, cable, and other outlets in electronic media. NBS is a professional organization with AERho as an affiliated honor society recognized by the Association of College Honor Societies. The term “honor” is not limited to the recognition of high scholastic standing, but also includes recognition of superior achievement in electronic media and/or electronic media activities. Outstanding scholarship and outstanding electronic media ability are inseparable in the students who qualify for membership in NBS and AERho.

SECTION 3. PROFESSIONAL NATURE OF NBS: The professional nature of NBS is reflected in these same students once they have completed their scholastic work and enter the electronic media profession and in their association with Society alumni/professional members. While students, they will strive to acquire those qualities that are considered necessary as responsible electronic media practitioners. As working members of the electronic media profession, they become true professionals by retaining those qualities and applying them to their work. In addition, these former students may become alumni/professional members of NBS, thereby helping to foster a closer relationship between the collegiate and professional aspects of NBS.

CHAPTER THREE

- A. The purpose of the local group applying for a charter shall be the same as that of the national organization.

- C. The number of potential active members at the time of application shall be at least six.
- D. A copy of the proposed local constitution for the candidate chapter shall be submitted for approval by the Board of Governors.
- E. In applying for a chapter, a satisfactorily completed application form and required fees shall be submitted. All fees, except the application fee, shall be returned if the application for the chapter is denied.
- F. Applicants shall submit to the National Office a listing of electronic media opportunities available on the campus.
- G. In order to retain its charter, a chapter shall be required to maintain at least the same quality and quantity of electronic media activities as demonstrated at the time of application for chapter recognition, provided the school continues to make facilities available to the chapter. It shall also be required to maintain good financial standing with the National Council.

SECTION 2. OPERATION OF CHAPTERS: Collegiate chapters shall operate according to local needs under the following provisions:

- A. The officers of a chapter shall normally include a President, Vice President, Vice President for AERho, Secretary/Treasurer (may be separate offices), Alumni and Professional Coordinator, Communication Coordinator, Chapter Advisor, and/or any other officers that are justified by local need. All officers of a chapter must be active members of NBS. Chapters with AERho members shall elect a Vice President for AERho from among the chapter’s AERho members.

- B. Chapters are required to submit to the National Office by November 1 of each year a signed and dated copy of their chapter's NBS-AERho Constitution and Bylaws. This submission, by either e-mail or postal mail, is required for NBS-AERho to comply with federal tax law, and the chapter Constitution and Bylaws must be signed and dated in the current year, even if it remains unchanged from the previous year.
- C. Chapters are required to electronically submit a written annual report to the National Office, which will annually designate a deadline for submission in advance of the national convention. Such report shall cover the period from January to December of the previous year. The written report, not to exceed the equivalent of five 8.5" x 11" white pages, shall contain, but not be limited to, the following information:
 - 1. List of new and active student members, alumni/professional members, and Alpha Epsilon Rho members.
 - 2. A chapter financial statement.

- F. Chapters shall be expected to meet the obligations required of them by NBS and maintain proper comportment at all times when representing the interests of NBS.

SECTION 3. ADMINISTRATIVE SANCTIONS:

- A. Any collegiate chapter for whom such action may be deemed appropriate may, in accordance with Article Five of the Constitution, have its charter revoked by a majority vote of the Board of Governors. Revocation will require total removal of the chapter from NBS-AERho. In order to have its charter reinstated after revocation, an applying group must meet the same requirements as for a new chapter.
- B. Any chapter for whom such action may be deemed appropriate may be placed on probation by the Executive Director (ED) if the chapter does not have at least six active, dues-paid members as of January 1 of each year. If after one year of probation the chapter has not met the minimum requirements of six active, dues-paid members, the chapter may be administratively deactivated by a majority vote of the Board of Governors or by the ED. A deactivation may be lifted by a majority vote of the Board of Governors at any time, or by the ED if the chapter submits member dues by the following February 1. However, a deactivated chapter still owing National dues on or after February 1 following its deactivation will require the majority vote approval of the National Council to lift its deactivation. A deactivated chapter shall maintain its charter, but shall not receive Society services.
- C. Official inactivation of a chapter that has ceased to engage in chapter activities may be instituted upon the formal request of that chapter to the Board of Governors or by action of the National Council in convention. Upon approval by the Council, the chapter will become inactive immediately. An officially inactive chapter may be reactivated upon receipt by the ED of a letter from the administrative head of the academic unit in which the chapter is housed, along with a letter from the individual who has been selected to serve as the chapter advisor, with both letters affirming that sufficient interest has been created to justify resumption of the chapter's activities. In addition, these letters must be accompanied by a new chapter constitution, submission of a reactivation fee, amount to be determined by the Board of Governors, and enrollment fees for at least six new members. The Board of Governors reserves the right to defer inactivation or to waive the reactivation fee for good cause. Upon receipt of all of these materials and money, the ED, with the advice and consent of the Board of Governors, shall immediately reactivate the chapter. An inactive chapter shall maintain its charter in an inactive status, but shall not receive Society services.
- D. If, at any time, the active membership of any chapter is reduced to five or fewer members, or the chapter operates without an official advisor, such circumstances will be considered justification for either an administrative deactivation of the chapter or a request that the chapter seek inactivation.
- E. Any chapter that is deactivated or inactivated, or whose charter has been revoked, is prohibited from using the trademarks of NBS or/and AERho in any form or for any purpose until and unless properly reinstated according to this section. NBS-AERho reserves the right to pursue any and all legal rights, actions, or remedies-at-law in response to violations of this section.
- F. Any NBS member for whom such action may be deemed appropriate may, in accordance with Article Six of the Constitution, have his or her membership revoked by a majority vote of the Board of Governors. A process for possible reinstatement of membership shall be determined in each individual case by a consensus of the Board of Governors.

SECTION 2. HONORARY ALPHA EPSILON RHO MEMBERSHIP

Any person who has attained noteworthy distinction at the national level in programs emphasizing electronic media shall be eligible for election to AERho honorary membership regardless of whether or not that person is already an AERho member. Honorary members may be elected only by the Board of Governors upon recommendation either by the chapter into which the member is to be received or by a member of the Board of Governors. Persons elected in AERho honorary membership shall have all the rights and privileges of other members of AERho, but they will not be required to pay any fees.

SECTION 3. NATIONAL HONORARY CHAIRPERSON OF THE BOARD OF GOVERNORS

A National Honorary Chairperson of the Board of Governors may be appointed by the Board of Governors with a majority vote of the National Council, in or out of convention. A candidate must receive a two-thirds majority vote of the Board of Governors to receive Lifetime Membership. The vote should be completed long enough before the national convention so that the presentation can be made in person at that time. If this is not possible, the Board of Governors shall determine the method of presentation.

CHAPTER SIX

Finances

SECTION 1. FINANCIAL OBLIGATIONS

A. New Chapters: An application fee shall be sent to the National Office upon application for a charter, amount to be determined by the Board of Governors.

B. Student Membership Dues

1. The National Office will annually designate a student membership deadline. Membership dues shall be submitted to the National Office at least one month prior to a new member's initiation date and no later than 15 days after the continuing member's membership expiration date. Student memberships which are not renewed within 15 days of their expiration date become inactive. Student members who wish to reactivate membership must pay a \$25.00 reactivation fee in addition to their membership dues. The reactivated student's membership expiration will be on the designated renewal date one year after membership reactivation.

2. Student membership dues may be paid individually or as part of a chapter group purchase.

a. New and/or continuing individual student membership dues are \$50 per year, payable annually.

b. Chapters may purchase blocks of memberships by designated deadlines as follows: a block of 20 annual memberships for \$500, a block of 40 annual memberships for \$1,000, a block of 60 annual memberships for \$1,500, or a block of unlimited memberships for \$2,000. Unless renewed, block memberships will expire one year after the effective date of activation of the block. Members participating in the block purchase must fill out membership forms and designate block payment. Each chapter must forward a list members included in the block payment when submitting payment.

3. Student members who have paid for two or more years of membership will receive one year of professional membership free upon graduation. It is the student member's responsibility to notify the National Office of his or her current home, work, and e-mail addresses in order to be eligible for professional membership under this provision. Notification must be received by July 1 following graduation. The National Office shall annually provide each chapter with a list of that chapter's active student and professional members and recent alumni.

C. Professional Membership Dues: The National Office will annually designate a professional membership deadline. New and/or continuing professional membership dues are \$25 per year, payable annually. Membership dues shall be submitted to the National Office. Professional members affiliated with a chapter may, at their discretion, participate in the block membership purchase.

- D. Fees for Alpha Epsilon Rho Members: A combination initiation fee and life-time dues of \$130.00 (early deadline) or \$150 (late deadline) will be required for each new membership in Alpha Epsilon Rho. No further dues are required for ongoing Alpha Epsilon Rho membership. Current members of NBS invited to membership in AERho will have their annual NBS dues applied to this fee, and therefore only a \$30.00 (early deadline) or \$50.00 (late deadline) initiation fee will apply. The cost of a certificate, a pin and honor cords is included in the fees for all new AERho members, and these will be presented annually at the national convention. For nominees who are not members of NBS, a complimentary two-year NBS membership will be provided with their initiation fees. The national office will designate the early and late deadlines for annual receipt of AERho fees for initiation at the national convention.
